### League Information

League will start on April 26, 2023, and takes place every Wednesday with a shotgun start at 5:45 p.m. The deadline to sign up is **April 11, 2023**. To participate, your handicap must be established by April 11<sup>th</sup>. This year we will play 11 weeks. Participants must have a partner, an active GHIN and be a BRWA member to register for League. If you need a partner, reach out and the board can help. The Boise Ranch Women's Association (BRWA) welcomes golfers of all skill levels. League players will need to have a handicap index within 10 strokes of their playing partner.

Teams will be seeded by flights based on the lower handicap index of the 2-player team. All flights will play a best ball format, except for our last flight which will play a scramble format. The scramble flight will be seeded with teams whose handicaps are 36 or higher.

We will be starting league earlier this year to help avoid the hot temperatures in August and to allow time for family vacations or other travel. We will not have league play the first week of July in honor of Independence Day.

We will be utilizing Golf Genius to sign up for league through our website, [ourbrwa.org](http://ourbrwa.org). To sign up for league, you must go the website. Click on the "League" tab, click on "League Sign Up & Payment." There will be a "button" installed that will take you to Golf Genius where you will enter your information and make payment. We are still working to get this connected to the website. Once it is up and working, instructions with more details will be emailed out to members. If you have any questions, please contact your league director, Mindy Tomkinson at [leaguedirector@ourbrwa.org](mailto:leaguedirector@ourbrwa.org)

### New Membership Winners

Congratulations to the 2022 new member winners, Deanna Weber and Becky Travers.

We ask all players to continue to recruit new members. Your name will go into the drawing for each new member you get to join the league. The prize is free league or tournament fees for the 2023 golf season. A 2023 winner will be drawn at the General Meeting.

### Golf Genius

We will be utilizing the full platform this year for tournaments and league. Please stay tuned to the

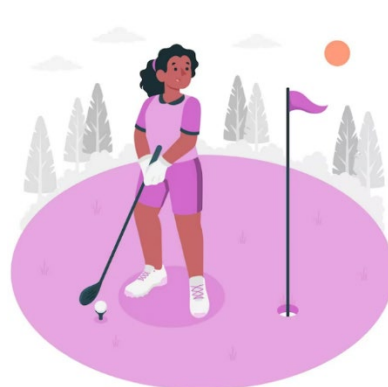

website, [ourbrwa.org](http://ourbrwa.org) as changes will be coming out shortly with payment buttons and instructions. Players will now be required to sign up and pay for league and all BRWA tournaments through our website.

# Volunteers Needed!

---

We are looking for participation from our members in helping with events that the BRWA supports at the golf course. Two of the main tournaments we are seeking increased participation in are the Men's Member Guest and the Rally for the Cure.

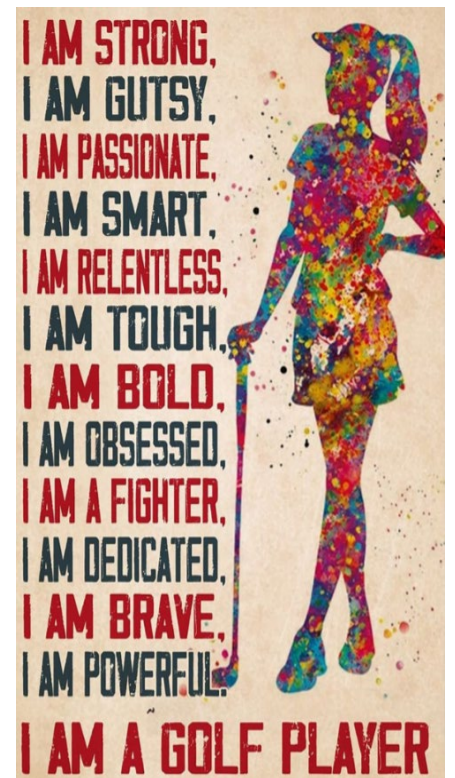

The Men's Member Guest - This is one of our biggest fund-raising opportunities for our association. We have several members who step up every year and help by donating their time and goods. This year we will be setting up a spreadsheet broken down by days and times. We are looking for members to donate a few hours of their time a day to help work holes, so members aren't dedicated all day. We understand this falls on Father's Day weekend, so more participation can help free up time for others.

Rally for the Cure- We all know someone who has been afflicted by this deadly disease. The more money we can raise, is an opportunity to help fight this cancer! We will be working more closely with the Men's association this year in promoting this tournament so we can get as much participation as possible. A special committee will be assembled, if you want to help, please contact any BRWA board member with your name and contact information.

The BRWA is also asking our members to help with raffle prizes and gifts for the silent auction. We are looking to gather some quality items that bidders can battle for and raise some much-needed money for a great cause. If you would like to put together a gift basket, donate gift certificates, company swag, etc....we will get it organized. Nothing is better than a good old bidding war.

We appreciate all that you do in supporting our association!

# President's Message

---

Hello, my name is Sherri Potter, and I am your current BRWA President. During 2022, we welcomed 40 new members into our association. As we continue to grow and expand, the board is constantly working on making sure we can accommodate and allow for future growth and improvement. We have learned so much as a board over the last couple of years and we are striving to always improve and be better.

We are so excited to get the 2023 season underway with lots of new changes including a new Tournament Director, Shawnie Dakan-Ellis! Thank you, Heather Kovick for all that you did during your tenure as Tournament Director and thank you for bringing us many new sponsors over the last three years.

This year we will be using Golf Genius to accept entries and payments for tournaments. We hope you bear with us as we will all have a learning curve to incorporate this exciting new change.

We are holding our General Meeting this year at a new sponsor's place of business, Giggy D's. As a board, we are trying to solicit the businesses that sponsor our association to show that we are an active part of our community.

You, the members are what makes this women's association so special, and the board works hard to try to make it a fun, competitive, fair environment. Please reach out to any of the current board members if you have any questions or concerns. Let's hope that spring is closer than the groundhog predicted, and we can all enjoy some sunshine and warmth on the course soon!
