

BRWA Ladies League Rules

Format

Flights 1, 2, 3 and 4 will be playing a Best Ball- Match Play.

Flight 5 will be playing a Scramble- Match Play.

Tee Box

1st and 2nd flights will tee off from the Red Tees - 5:45pm Shotgun

3rd, 4th, and 5th flight(5th flight is the Scramble flight) will tee off from Red/Yellow Tees (**MUST** use yellow tees on 4 and 16) - 5:45pm Shotgun

League Rules

- On the green you may take the closest point of complete relief, no closer to the hole, if your ball is in or must travel through abnormal green conditions. **Please Note** - Not all the areas will be marked. (Your ball must be on the green to apply this rule)
- Drop zone on hole 3 (**5th flight only**). If both players hit into the water on their 1st attempt, then the team will proceed to the drop zone for their next shot. The drop zone will be between the pond and the cart path to the left of the pond.
- If you need help with a ruling, you can **call** the Pro Shop or you can play two balls and we will determine the correct ruling when the round is complete.
- Spectators are welcome. All Spectators must maintain a reasonable distance from the players and remain on the cart path when possible. **NO COACHING** allowed.
- Most likely score can be taken if your partner has already posted a better score. You would calculate your most likely score by adding the number of strokes you have already taken (including any penalty strokes incurred on the hole) and the number of strokes that you would most likely take to complete the hole. When the scores are posted, it will be no more than your net double bogey score for that hole.

Scoring

- 11 possible Team points each week (9 net points + 2 gross points).
- 1 point will be awarded to the team with the lowest **NET** score on each hole (1/2 point will be awarded to each team for a tie).
- 2 points will be awarded to the team who wins the most holes with their **GROSS** score (1 point will be awarded to each team if the gross holes are split).

Substitutes

- Subs cannot have a lower handicap than the lowest handicap in the flight. Scramble League flight cannot be lower than 30.
- Subs can only be 5 higher than the handicap of the person they are playing for.
- Subs will have to play within 10 of the people they are playing with.
- You can have two subs if both players are gone, except for the last week of league. While we do not have playoffs this year, we don't want it to seem like an outcome was determined due to having two subs play the last night.
- Please have subs in by 8:00 pm Tuesday night. You can find the sub form here: [Sub Form and List | Boise Ranch Women's \(ourbrwa.org\)](#)
