

Boise Ranch Women's Association

Meeting Minutes

April 26, 2022

- The Boise Ranch Women's Association Board met Tuesday, April 26, 2022 at 5:45 via Teams. Officers in attendance were Sherri Potter, Sue Shepherdson, Kate Pressley, Heather Kovick, Tamara Perrault and Mindy Tomkinson.
- Sherri would like us all to review the By Laws before they get posted to the website. Sherri will sign them and will send them to Sue to sign so they can be posted.
- Heather then spoke on the Spring Opener and the pay outs issue. We had \$500 sponsor money and then added \$200 per flight. There were three flights.
 - Heather had problems with the golf software prior to the tournament so going forward we will use Golf Genius for both League and Tournaments for the rest of this year.
- Sherri would like the board to get together with Chad and the Men's Association before next year so we can determine which golf software we will be using in the future. Also, so we can plan for the expense.
- Sherri went to the IGA meeting on the World Handicap System in Tamara's place, since she was out of town. Ideally, they would like scores posted by midnight of the day of play so it will reflect weather conditions. When at all possible, that will be done but not on league nights or large tournaments.
- Kate is going to send an email and a Facebook post that April 27th is the last date to sign up for league. She will also send out an email of the 2 Lady Best Ball tournament deadline of Friday April 29th
- Heather put together a schedule for Friday night Chapmans starting May 13th through the end of September.
- We then talked about how we could help Heather with the tournaments. It was suggested that the B teams could have a note attached to there scorecard asking them to pick up the signs on their way in. Heather will try to get the flights and all pairings prepared on Friday before the tournament so the board could review them and then also go over how much money there will be for the payouts.
- Tamara reported that we had 150 members in 2021 and so far in 2022 we have 125 with 15 new members.

Meeting was adjourned at 6:30.

Respectfully submitted,

Susan D Shepherdson
