

Boise Ranch Women's Association

Meeting Minutes

May 17, 2022

The Boise Ranch Women's Association Board met Tuesday, May 17, 2022 at 5:45 at Jalapenos. Officers in attendance were Sherri Potter, Sue Shepherdson, Kate Pressley, Tamara Perrault and Mindy Tomkinson. Heather was out of town.

Sue reviewed the meeting minutes from April 26, 2022.

- Tamara talked about the problems we are having with IGA and Blue Golf. She said the last time we used the Golf Genius was at our end of year tournament. We didn't realize there was a problem until we tried to set up league and the first tournament. We would like to work with Boise Ranch and the Men's Association to pay a portion of Golf Genius. If there are still problems we will go old school and use our old spreadsheets and pop our own cards.
- Kate will send an e-mail to mention the need for volunteers for both the men's member guest and our member guest. She will also ask for snack donations and little sandwiches and jello shots for the men's member guest. The men's tournament is Friday, Saturday and Sunday, on Father's Day weekend. Kathy Hutt will help ask for volunteers. Kate also said she has some coolers to use for the sandwiches and jello shots. She also has a pop up tent to be used.
- We talked about our Member Guest. We talked about food and will ask Ronda for some options. We will try to have another meeting on Monday so Heather can be there to ask about the tee prize, and what the format will be. Suggestions were umbrellas or coolers.
 - It was suggested that we have the cut off for tournaments possibly two weeks in advance instead of one. This will give Heather more time to get the tournament set up. We will talk to Heather about this.
- Kate will send out an email asking for basket donations for a raffle.
- We then talked about League and how things are going with that. Mindy asked if we have enough money in our account to add money to the league pay outs. It was suggested we put an additional \$10 per player into the prize fund from BRWA funds. With 96 players in League, that would be an additional \$960.00. Since we have so many that play in League and not in Tournaments, we thought it was a good idea to put added money in the League prize fund.
- It was suggested that we pay for Office 365 so it can be used by the full board, including League Director, Tournament Director and Secretary/Treasurer and Webmaster. Sue said we are already paying \$99 a year for that software. We have been for several years. Sandee probably has the sign in and password information.
- We will meet again on Monday, May 23, 2022 when Heather will be able to meet. If Chad can meet with us, maybe we will meet at Boise Ranch. Sherri will find out if Chad can meet.

Meeting was adjourned at 7:40.

Respectfully Submitted,

Susan D Shepherdson

BRWA Secretary/Treasurer
